biblically the heart is the source of a person s behaviors beliefs thoughts attitudes desires motives and values the heart is so important to who we are our inner nature that is given a new body for our

eternity in jesus god made the heart naturally stable by making it greatly fear getting changed this is good but also causes the heart to be very self deceptive if it needs to be cleaned how can we proceed this book shows the biblical picture of the heart more fully so that we can see ways for believers in jesus to work with him to clean our deceiving hearts for our eternity and for our close life giving fellowship with god on earth i gave two related books the same cover so that readers can choose the best fit purifying the heart puts solutions of heart problems with their discussion this complicates the picture of the heart destroying spiritual strongholds more fully explains this picture from the bible which is a harder introduction to this picture

the bible uses the heart to represent the whole inner person the part of a person that receives a new body as he she moves from life on earth into the rest of eternity because the heart is the key to each person s eternal good our loving god makes purifying our hearts a priority he gives true progress but he also wants each of his children in jesus to co operate with his work for our good this allows major problems a heart often has unhealed wounds wrong beliefs and distracting treasures the heart naturally protects itself against getting changed even by deceiving one s own mind if necessary and the devil and demons try diligently to deceive people out of receiving god s great good in jesus this book is written to show biblical solutions for these kinds of heart problems
