offering a new template for future exploration susan greenwood examines and develops the notion that the experience of magic is a panhuman orientation of consciousness a form of knowledge largely marginalized in western societies in this volume she aims to form a bridge of communication between indigenous magical or shamanic worldviews and rationalized western cultures she outlines an alternative mythological framework for the latter to help develop a magical perception as well as giving practical case studies derived from her own research the form of magic discussed here is not fantastic or virtual but ecological and sensory magical knowledge infiltrates the body in its deepest levels of the subconscious and unconscious as well as conscious awareness it is felt and understood through the connection with an inspirited world that includes the consciousness of other beings including those of plant animal and the physical environment this is anthropology from the heart rather than the head and it engages with the messy area of emotions an embodiment of the senses and struggles to find a common language of listening to one another across a void of differences the aim is to provide a non reductive structure for the creative interplay of both magical and analytical modes of thought passion is a motivator for change and a change in attitude to magic as an integrative force of human understanding is the main thread of this work

presents a coherent and accessible historical account of the major phases of british and american twentieth century criticism from decadent aestheticism to feminist decontructonist and post colonial theories special attention is given to new perspectives on shakespearean criticism theories of the novel and models of the literary canon the book will help to define and account for the major developments in literary criticism during this century exploring the full diversity of critical work from major critics such as t s eliot and f r leavis to minor but fascinating figures and critical schools unlike most guides to modern literary theory its focus is firmly on

developments within the english speaking world

a magnificent read a profoundly personal narrative the family silver is on the cutting edge of feminist scholarship verta taylor coeditor of feminist frontiers just as kriegler s the mirror dance was the first to describe the lesbian community the family silver is the first book to blend the personal familial relational professional and political roles of lesbians in today s society i loved reading it esther rothblum editor of journal of lesbian studies

this guide to structuring and creating a new testament theology shows students how to examine ancient texts in the modern world

the second title in a proposed five volume work volume two following on from the volume on mark s gospel concentrates on matthew s gospel contributors consider the function of embedded scripture texts in the context of the gospels written and read heard in their early christian settings the project is wide ranging with essays on the function of scripture in the compositional history of the gospels and the collection is broad in scope as a result of current interest in the integration of methods especially historical and narrative ones advancements over the last 20 years in the study of genre and narrative criticism have left a void in the study of the function of embedded biblical texts in the gospels this collection of essays will move the study of scripture within scripture forwards

the decisive event in the history of modern aesthetics was kant s critique of judgement the seminal concepts of this work include the theory of the creative imagination the purposiveness without purpose of works of art and the disinterestedness and subjective universality of judgements of taste these concepts have remained basic in the aesthetic tradition from kant s day to the present the quest for imagination presents essays on several of the most important twentieth century representatives of that tradition george santayana wallace stevens ernst cassirer susanne langer jacques maritian jean paul sartre northrop frye edmund husserl stephane mallarme georges poulet and gaston bachelard the essays introduce some of the finest thought on literature that this century has produced coming at a time when literature is frequently debased to propaganda and political cliché they affirm the vitality of the aesthetic approach and the importance of the profession of letters in modern life dust jacket

alvin lee and robert denham divide the papers into four cohesive sections the double vision culture religion and society imagined community frye and canada the visioned poet in his dreams frye romanticism and the modern and dunsinane birnam wood and beyond frye s theoria of language and literature the essays consider frye in relation to canadian culture examine his understanding of romanticism and modernism and explore and evaluate his contributions to our understanding of literature criticism society and religion

one number each year includes annual bibliography of commonwealth literature

annotated catalogues of his writings in illuminated printing in conventional typography and in manuscript and reprints thereof reproductions of his designs books with his engravings catalogues books he owned and scholarly and critical works about him

excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations

in studies in poetry j m beach traces the history of poetry and poetic philosophy in the west this book will give students a generalized yet relevantly contemporary definition of poetry through an in depth exploration of several poet s major works and themes
